Atlanta, GA 30355

Dear Senator Perdue,

I hope you and your family are doing well.

I'm sure we can agree that this runoff election for the U.S. Senate in Georgia is vital to the future of our state and our nation.

Our country continues to face great challenges — acute public health and economic crises, persistent economic hardship for working families, unequal justice under the law, deep political divisions, and widespread corruption in our political system.

We also face great opportunities, especially if we unite to build a republic that lives up to our shared national ideals.

Georgians deserve to hear their candidates for U.S. Senate debate these issues publicly.

I am asking you to join me in committing to three live, in-person debates sponsored by media organizations throughout our great state. Georgians deserve nothing less.

I hope you will agree to give Georgians the debates they deserve. I look forward to your response.

Sincerely,
